

# Bus Timetable Changes from 6 January 2025

The **814 journey** operating from **Erdington to The Royal Sutton School**, which was introduced on 4 November, will be **replaced** with an additional **earlier 815**, arriving to school at **08:20**.

This means there will be **two buses** on the **815 journey**, which should address the concerns with students being unable to board at stops at **Wylde Green, Yenton and Penns Lane**.

There will be **no changes** to the **813** or the **two 814 buses** operating from Stockland Green. National Express continue to provide **five buses** across the **three routes**.
